THE HEART PROJECT

**HEATHER
ROCCO**

Heather Rocco is a life-long seeker of all things cosmic, historical and spiritual, and hence, astrological. Based in Brooklyn, NY, she's worked in various roles from customer service to photography and now accounting, each sojourn marking a new phase of learning and self expansion, as well as meeting kind and generous persons all with their own unique stories to tell. Along with her love of astrology is her love of bringing such people together to share wisdoms and reflect upon the world around us and the times we are living in. To this end is the impetus, and hope, that our March 2025 gathering will be a mutually agreed upon, inspiring and heartening experience for us all.

**LINDSAY
GLADSTONE**

Lindsay Gladstone is an accredited astrological consultant. Her passionate exploration of the soul's connection with the cosmos culminated in the Diploma of the Faculty of Astrological Studies (DFAstrolS). An enduring love of shamanic and mystical pathways gained her the M.A. in Myth, Cosmology, and the Sacred from Canterbury Christchurch University. For several years Lindsay was Head of Exams and a Council member and tutor for the Faculty of Astrological Studies. Lecturing, interpreting horoscopes and curating workshops in the UK and abroad, her soul journey has evolved into Axis Mundi Astrology. Visit her website www.axismundiastrology.co.uk

**COLIN
MCPHILLAMY**

Colin McPhillamy is a British/Australian actor/astrologer. He has performed on stages from northern Scotland to southern Australia, from Athens to Beijing, at the National Theatre in London and on Broadway. At an early stage he encountered esoteric studies and he now styles himself a "Non-observant Neo-Pagan, lapsed Gurdjieffian, Buddhist-adjacent, Eclectic Christian." He has studied astrology with several schools and mentors, and frequently attempts to read too many books on the subject. His interest in mythology and storytelling is profoundly enriched by his astrological journey. Actor blog at: www.mcphillamy.com Astrology site at: www.PleasantvilleAstrology.com

**DEBORAH
MORGAN**

Deborah Morgan D.F.Astrol.S., BA Hons. As an independent consultant astrologer and teacher for the Faculty of Astrological Studies, London, Deborah guides women to help them manifest their full potential. She supports women seeking personal, spiritual and business development using the wisdom of the ancients and the heavens. She is based in Nottingham, UK and is intrigued by the interplay between inner experience, myth and the astrological and natural seasons of the year. This contributes significantly to her approach to astrology which interweaves mythology, neo-paganism and the Western Mystery Tradition.
